25X1
FROM:

[REDACTED]
Chief, Security Education Group

SUBJECT: SEG Highlights for the DDA Weekly Minutes

During this reporting period the Federal Bureau of Investigation Security Officer from the Washington Field Office attended the Security Education Group's EOD presentation. The FBI representative was favorably impressed with all of the presentations. He was visibly concerned that the new employees at the WFO and FBI Headquarters do not receive any indoctrinations of the magnitude of those at CIA.
